About Us

Movent Global Solutions FZC LLC is a UAE-based company located in Ajman ANC Free Zone, with associate offices in India. Movent-GS LLC specializes in shipping and transportation services for Heavy Lift, RORO, and Project Forwarding via Sea, Air, and Land.

Movent-GS LLC is committed to providing competitive rates and high-quality services tailored to meet the unique requirements of each project. Our operational coverage spans across the Arab Gulf, Persian Gulf, Red Sea ports, Africa, the Mediterranean, Black Sea, Europe, the United States, the Far East, and the Indian subcontinent.

We operate vessels owned directly by reputable owners, all of which are fully classed and insured. Our team maintains strong relationships with global RORO and heavy-lift tonnage operators, ensuring reliable and efficient logistics solutions.

In addition, Movent-GS LLC specializes in dry cargo, project chartering, and brokering services, positioning us as a leading ship broker and operator globally. We offer turnkey solutions, delivering projects with the highest standards of professionalism, expertise, and efficiency.

At Movent-GS LLC, we work closely with our clients to design customized solutions that align with their specific needs. Our commitment to excellence ensures consistent support and cooperation throughout every project.

We sincerely look forward to the opportunity to collaborate with your organization and assure you of our full dedication and service at all times.

Vision and Mission

Our Vision:

To provide world-class international shipping, transportation, and associated services.

Our Mission:

To provide safe, reliable, and efficient maritime transport and logistics solutions, ensuring secure cargo delivery while prioritizing customer satisfaction and environmental sustainability.
